## RECREATIONS

### BIJOU

Three excellent attractions at the  
Bijou this week are giving that large,  
airy theater capacity houses nightly.  
Tonight there will be a change of  
program. The lions will be put  
through a new series of paces in their  
cage in full view of the audience.  
Madame Schell has perfect control  
over the great beasts, but in spite of  
her daring with the great lions, she  
feels that some day something may  
happen to her. She is constantly on  
guard. The famous Hidalgo have ar-  
ranged three dances for tonight, to-  
morrow and Saturday. They make  
their "presentation," and this is fol-  
lowed by a Spanish song, the "Bis-  
toncito," rendered by pretty Senorita  
Fela Hidalgo, concluding with a long  
and catchy Spanish dance entitled  
"Zaparrancho," one of their most  
difficult presentations. Senor Hidal-  
go had the misfortune to cut his foot  
on coral at Waikiki a day or two ago  
but he manages to dance, although  
he is in considerable pain. Kudo, the  
one-string violinist, who has made a  
hit, has been retained on the pro-  
gram and will vary his selections to-  
night. Tomorrow night is the big  
amateur night.

### PARK

The Park Theater, only lately re-  
opened on a grander scale than ever  
with new stage accessories and ample  
protection from rain, but with no  
diminution of cool air to preserve  
the original purpose of the theater—  
that of being entirely an open-air  
proposition, will have a new program  
for tonight, tomorrow and Saturday  
night, while Cunha's orchestra has  
a new program of selections. By  
special request Jones and O'Brien,  
who are the best colored team ever  
introduced here, will present "4-11-  
44," which they opened with on their  
arrival in Honolulu. This is one of  
the funniest sketches ever put on  
local boards. Their dancing—quick  
and wing—is great. Dolly Grooms,  
who has just finished a successful  
Chinese impersonation, will appear  
tonight in a neat white-face act with  
new and lovely songs, dancing and  
stories, changing her costume three  
times. New motion pictures.

### EMPIRE

Princess Susana, the midget, who  
has been giving prima donna selec-  
tions, attired in a gown low cut and  
on trains, giving her the appearance  
of an adult upon the stage, looked at  
through the small end of the opera  
glasses, will be the attraction for this  
week end at the Empire. Her appear-  
ance in long dresses gives her an ap-  
pearance of thinness which accompa-  
nies her small stature—which is but  
thirty-two inches. She has a new  
and novel act for tonight. Whittier  
and Crosson will sing their last songs  
at the Empire tonight, tomorrow and  
Saturday, appearing at all the mat-  
inees. These two entertainers have  
been prime favorites at the Empire.  
The local moving picture films have  
proven a drawing card.

### SAVOY

When programs are made up for  
changes at the local theaters, the  
Savoy is certain to have the longest  
titles, for when Hilda Carle an-  
nounces her new trio of songs for  
each half week, the song titles are of  
unusual length, and there is just as  
much entertainment as rendered by  
this fascinating singer as the titles  
are long. Her three songs tonight  
will be "Love Is Like a Rose," "Ask  
Her While the Band Is Playing," and  
"I Was Allright When I Was Young-  
er, But I'm All in Now." Hessie will  
conclude his engagement on Satur-  
day and for tonight, tomorrow and  
Saturday he will appear as the  
"American Monologue Juggler." His  
line of comedy is clean and enter-  
taining. The Savoy's pictures are up  
to the Savoy standard.

LOOKS GOOD FOR BIG  
ADVANCE IN PRICE

I have only a few thousand shares  
of Lakeview No. 2, and when that is  
sold, the price will doubtless advance  
to one dollar per share. My price is still  
fifty cents. Don't get left. Do it now.
